

HARDWARE COMPANY

Take a Fresh Look at Diamond Horseshoes and Tools

You'll find a number of significant enhancements to your favorite Diamond horseshoes; higher quality steel for more durable wear, deeper crease in the shoe allowing maximum contact of the nail head for a stronger hold, cleaner and more precise nail punching and an adjusted nail pitch resulting in less hoof wall damage and more secure fit.

DC0B

Diamond® Classic Plain

- Basic flat, 1/4" thick horseshoe
- Forged from high quality steel for durability
- Easily shaped hot or cold to fit front or hind hooves
- Improved V-crease for secure nail fit and better pitch control

Horseshoe Art

Horseshoes are a popular medium for crafters and artisans and we continue to be impressed by what a little imagination and some Diamond Horseshoes can create! Find photos of featured horseshoe art and useful crafting information online at diamondfarrierusa.com/crafters. If your customers have pictures of artwork they have created from Diamond shoes we would love to post them. Email photos to sales@diamondfarrierusa.com.
