

# TIME IS RUNNING OUT FOR YOUR OLD VALSPAR® RACKS. TIME TO UPGRADE.

Three years ago, we introduced the new Valspar Color Gallery racks. Many of you replaced your old Medallion® and Prism racks right away ... but some of you did not. Now it's time.

We'll keep your old racks supplied with replacement color chips for as long as we can, but we cannot guarantee full inventory after December 31, 2017.

## More Reasons to Upgrade Now:

The new racks contain the colors we're promoting now.

- 2017 COLORS OF THE YEAR
- ASK VAL™

The new racks are proven in the field, lifting sales 15 - 30%, as reported by Valspar retailers who upgraded to new racks versus previous year's sales.

You can save 50%. (Order form on back).
